

Undergraduate Events at SfRBM Annual Conference

On behalf of the SfRBM Undergraduate Research Committee, we're excited to welcome you to SfRBM 2022 Annual Conference! We have several events planned to support you during the meeting and connect you with other undergrads in attendance.

Trainee Welcome Reception

Wednesday, November 16 | 6:00 PM - 8:15 PM

Event Lawn

Connect with other undergraduates and their mentors at the Trainee Corner during the Welcome Reception on Opening Night. Find other undergrads by looking for the red ribbons on the registration badges. Members of the SfRBM Undergraduate Research Committee will be there as well, including co-chair Dr. Aimee Egger.

Complimentary Professional Headshots

The Trainee Council will be offering complimentary headshots for all attendees during the Welcome Reception. Visit our photographer in the **Seville room** (located on the 3rd floor) on Wednesday from 6:00 pm - 8:15 pm. Photos will be available to download after the conference at no cost.

Undergraduate Poster Practice Session

Thursday, November 17 | 12:00 PM - 1:00 PM

Room: Tangerine 4

This is a chance to run through your poster in a supportive environment before the "real" poster sessions, and lunch is included with an RSVP. Please note that there is an award for the best poster presentation by an undergraduate, which includes a check for \$200.

Graduate School Information Session

Friday, November 18 | 12:30 PM - 1:30 PM

Room: Tangerine 4

Hear about the application process, get your questions answered, and talk with SfRBM members about their grad programs. Lunch is included with an RSVP.
